Welcome to the Club!

I'm professional close-up magician Richard Kettle. In 2011, I created a school club with the goal of teaching aspiring children fun and **achievable magic tricks** to help build their **confidence** both inside and outside of school.

My team and I are delighted to be able to offer your school a weekly magic club!

6 Sticker Booklets to Collect

Affordable Magic, Endless Fun

Everything included in the termly cost.

Morning and lunch clubs from just £5.

**Giving more children the chance to
partake in our unique club.**

Building Confidence, Week by Week

A new booklet featuring different magic tricks every term.

Children collect a sticker for each trick they learn in the club, gaining confidence week by week.

Trick explanations are provided in each termly booklet to help children practise and remember each trick.

The children love to receive their colour prize wand when they complete each booklet.

Key stages

1 + 2

" The successful club is popular with many of our pupils and the annual assembly provides guaranteed 'oohs' and 'ahhs' and much excitement and amazement every time. We love having this club as an option for our children each term. "

Busbridge Junior School

" Watching the kids light up as they learn magic is absolutely amazing to see! "

Parkside School

" Our children eagerly learn tricks, develop skills, and explore the art of illusion. The lessons teach problem-solving, patience, and wonder. We highly recommend. "
